GOD HAS REVEALED HIMSELF TO US

Oh, the depth of the riches both of the wisdom and knowledge of God! How unsearchable are His judgments and His ways past finding out! (Rom. 11:33).

Nothing is more humbling than studying about God. As we dig into the subject, we quickly learn of God's greatness in contrast to humanity's smallness.

God's greatness is more than we can fully comprehend. The Psalms tell us that "His greatness is unsearchable" (Psa. 145:3), and that "His understanding is infinite" (Psa. 147:5). Further, David exclaimed, "Such knowledge is too wonderful for me; it is high, I cannot attain it" (Psa. 139:6).

At the same time, though, the Bible is clear that we can know God. Colossians 1:10 says that we are to be continually "increasing in the knowledge of God."

We know God by the means through which He has made Himself known to us.

Here are five ways that God has revealed Himself to mankind.

1. THROUGH NATURE

The heavens declare His glory, and the firmament shows His handiwork (Psa. 19:1). Paul said that God is so evident in nature that those who deny His eternal power "are without excuse" (Rom. 1:19-20). God can be known!
