LIFE LINES

OF THE **WARM SPRINGS ROAD CHURCH OF CHRIST**

September 20, 2015

THE HEART OF THE CHURCH OF CHRIST

This is the heart of the church, and what we as the church are imperfectly (but perfecting each day) trying to demonstrate to the world. I know most of you see us as hypocrites, rigid rule followers, moral police, and delusional activists. But I want you to know this about the heart of the church of Christ.

We are all broken. We are all in need of healing, yet have been washed of the iniquities that nailed our Savior to the cross. Because of this commitment, we have found a family unlike any we will ever know. We all have a part to play in this family and desire to do so in honor of the one who gave his life so we can thrive in his grace. Our desperate, ugly, and hopeless souls have been saved. Because of this, our hearts are in an imperfect process of transformation because Christ, the perfect, dwells in our core. Without Christ, the world was chaotic and shook us with fear, resentment, and anger. Now, we are basking in peace that defies time, reason, and understanding. This world cannot hurt us, it cannot.

We understand the Word is not a historical document, rule book, guidelines, or something to manipulate. It is alive, active, and breathed from the very mouth of the great I AM. We cling to its truths. It defies the greatest of earthly wisdom. It leads our hearts to the cross of Christ over and over again and envelopes us in a love that exceeds time. We feast on its riches.

We have countless in our midst right now who are in the middle of the hardest fights of their lives. In the world's eyes, these people should have nothing to be thankful for, or to live for. In this, we know life in Christ
